Note: Ontario Health (OTN) does not have Vendors of Record agreements with equipment suppliers. OTN members may purchase videoconferencing systems from their vendor of choice and are responsible for maintaining ongoing vendor support and maintenance agreements for their systems.

Ontario Health (OTN) role is to support member decision-making related to the purchasing of videoconferencing equipment and services. Ontario Health (OTN) is not responsible for ensuring compliance with the member's procurement requirements, including any procurement policies, vendor contracts or obligations the member may have. It is the member's responsibility to determine and meet any procurement obligations that its organization may have. All procurement negotiations are between the member and vendor.
