

Learning Centre

Your one stop for continuing health education!

- Access thousands of video and webcast events annually
- Customized alerts based on your interests

From the convenience of your computer or smart phone, search events by date, time, location, presenter, therapeutic area and more!

Benefits of using the Learning Centre

- Increase your access to educational opportunities
- Increase the reach and attendance for events you host

Personal Learning Alerts allow you to customize notifications based on your professional interests and have them sent directly to your email inbox.

To register

- Visit learning.otn.ca
- Create an account
- Log in to the Learning Centre
- Create Personal Learning Alerts

For more information, visit learning.otn.ca.

About OTN

As the world leader in telemedicine, we are helping Ontario get more out of the healthcare system, bringing more patients the care they need, where and when they need it. OTN is an independent, not-for-profit organization funded by the Government of Ontario.

Healthcare working smarter
