Note: Currently OTN has three Vendors of Record that sell this product: **TELUS, AVI SPL, Global USS**. It's up to the Member's discretion where the items are purchased while following their procurement procedures.

Please refer to the **Vendors of Record Contact Information** document for these vendors contact details. The document can be found on the OTNhub.ca Resource Library under the "Videoconferencing Equipment" heading.

OTN's role is to support Member decision-making related to the purchasing of videoconferencing equipment and services. OTN is not responsible for ensuring compliance with the Member's procurement requirements, including any procurement policies, vendor contracts or obligations the Member may have. It is the Member's responsibility to determine and meet any procurement obligations that its organization may have. All procurement negotiations are between the Member and Vendor.
