

Patient and Family Brochure Order Form

Please complete and email this form to information@otn.ca to receive copies of either brochure.

OTN is pleased to provide your organization with information for patients and families about their telemedicine or teledermatology visit. The brochure outlines what to expect during a telemedicine visit, how a patient's personal health information is protected, and provides an overview about OTN.

You may also wish to provide patients with information specific to the process in your own organization. The brochures are provided free-of-charge to Members.
